# Editorial

As we move through another vibrant academic year, our school continues to uphold its commitment to nurturing creativity, curiosity and holistic development in every child. The recent array of events and activities offered our students opportunities to explore their talents, express their imagination and develop essential life skills beyond the classroom.

The joyous **Red Colour Day Celebration** for our Kindergarten to Grade 2 students filled the campus with enthusiasm and innocence, setting a bright tone for the primary section. Competitions held across various grades—such as the **Diya Colouring** for Grade 1, **Greeting Card Making** for Grade 2, **Diya Decoration** for Grades 3 to 5, and **Lantern Making** for Grades 6 to 8—allowed children to embrace the festive spirit with creativity and confidence. Each activity encouraged fine motor skills, artistic expression and cultural appreciation.

For the senior students, the **Thematic Poster Competition** for Grade 9 served as a platform to articulate meaningful concepts through visual storytelling. Additionally, initiatives like the **Aryabhata Ganit Challenge** continue to foster analytical thinking and a love for mathematics, preparing students to engage with problem-solving in innovative ways.

Beyond competitions, the school also focused on enriching the wider learning community. The **Positive Parenting Session** held on 16-10-2025 provided valuable insights to parents, reinforcing the collaborative role of family and school in a child's growth. The **Book Fair**, conducted on the same day, ignited students' passion for reading and opened doors to new worlds of knowledge and imagination. Adding further depth to our academic environment, a **Guest Lecture** offered students fresh perspectives and broadened their intellectual horizons.

These events collectively reflect the school's unwavering dedication towards fostering creativity, academic excellence, and community engagement. As we celebrate these milestones, we remain committed to providing our students with enriching experiences that shape them into confident, compassionate and capable individuals. Let us continue this journey together—learning, exploring and growing with pride and purpose.

## Guest Lecture

Venue: AV Room

**Prof. (Dr.) Vishal Vora**, esteemed Professor in the **Department of Electronics and Communication Engineering**, Faculty of Engineering and Technology, **Atmiya University, Rajkot**, along with **Janak Maru Sir**, visited Atmiya Vidyalay to conduct an inspiring **career-guidance** session for students of Grades 10 and 12.

The distinguished speakers enlightened learners about emerging academic pathways, future-ready skillsets and the dynamic opportunities in engineering and allied fields. They emphasised the **importance** of informed **decision-making**, **self-assessment**, and **lifelong learning** in building a successful career.

The session proved highly insightful, motivating students to explore their interests with clarity and confidence. The school expressed its sincere gratitude to the experts for their valuable time and guidance.

# Diya Colouring Competition (Grade 1)

Venue: Classroom

To celebrate the spirit of Diwali and encourage creativity among students, our school organised a vibrant **Diya Colouring Competition** for class 1 on 11th October. The aim of the event was to help students explore their artistic skills, understand the cultural significance of Diwali, and express their imagination through colours.

Students were provided with diya outlines and colouring materials. They **enthusiastically** filled their designs using crayons, colour pencils, markers and other creative techniques. The competition hall was filled with excitement as students worked with **focus** and **creativity**, producing beautifully designed diyas representing joy and festivity.

Teachers judged the entries based on **neatness, creativity, colour combination, and overall presentation**. The best artworks were awarded certificates and appreciation, while all participants were praised for their efforts.

The event not only showcased the artistic talents of the students but also fostered cultural awareness and confidence. It was a memorable and colourful celebration that brought festive cheer to the entire school.

## Greeting Card Making Competition (Grade 2)

Venue: Classroom

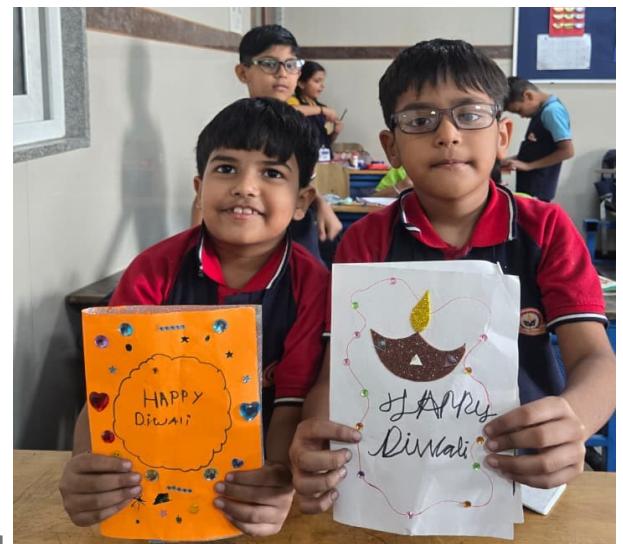

“Diwali is a time to celebrate the triumph of light over darkness, knowledge over ignorance, and good over evil.”

An Inter-House Card Making Competition was organized on the occasion of Diwali for the students of grade 2 on 11th October.

The event aimed at encouraging the students to think about the art of designing cards while fostering **craftsmanship** and **self-expression** among them.

A blend of exceptional creativity and **imagination** was displayed by the students. Children designed bright and colourful cards conveying greetings and wishes on the occasion of Diwali.

It was a wonderful sight to witness the creation of children who weaved magic on paper. All the students **participated** in the competition with immense passion and excitement and made beautiful cards.

## Diya Decorating Competition (Grades 3 to 5)

Venue: Classroom

**“Lighting a diya brightens not just the space but the soul, reminding us that even the smallest flame can banish darkness.”** - Anonymous

On October 11, 2025, "Shimmer and Shine" Diya Decoration Inter House Competition was organized for **Grades 3 to 5**. The event aimed to celebrate the festival of lights while inspiring creativity, teamwork and cultural appreciation among participants.

Students from all four houses—**Discipline, Devotion, Dedication and Divinity** enthusiastically collaborated to craft beautifully decorated diyas, employing vibrant colors and traditional designs.

Each house offered its unique vision of Diwali spirit, **embodying themes of unity, prosperity and the victory of light over darkness.**

This competition not only showcased the students' artistic talents but also fostered a sense of **community and cultural connection**, making it a truly enriching experience for everyone involved.

## Lantern Making Competition (Grades 6 to 8)

Venue: Classroom

As part of the Diwali celebration, a vibrant **Lantern Making Competition** was organized on 11 October, 2025. The event aimed to foster creativity and promote cultural awareness among students.

Students from **Grades 6 to 8** participated with great enthusiasm, bringing in a wide array of lanterns inspired by both **traditional** and **eco-friendly themes**. The competition served as a platform for students to showcase their **artistic talent, innovation and craftsmanship**.

Entries were judged based on creativity, presentation, use of materials and overall visual appeal. The impressive variety of lanterns left teachers, judges and fellow students amazed by the originality and effort behind each piece.

The event concluded with a beautiful display of all the **lanterns** around the **school premises**, infusing the campus with festive charm and Diwali spirit. The Lantern Making Competition was a resounding success, encouraging creativity, collaboration and cultural appreciation. It was a joyful experience for both participants and spectators, truly lighting up the spirit of celebration throughout the school.

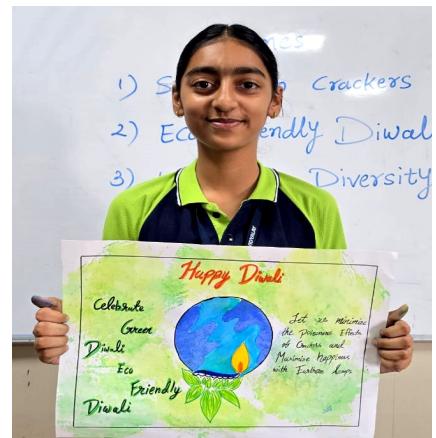

## Thematic Poster (Grade 9)

Venue: Classroom

A thematic poster-making competition for Grade 9 students was held on 11th October. The event aimed to encourage creativity, critical thinking and visual expression among the students. Participants were given a set of contemporary **themes** related to **environment**, **social awareness** and **national values**. They were guided to present their ideas artistically while conveying a meaningful message.

The competition was conducted under the supervision of the **Art Department** and all the students actively participated with great enthusiasm. The campus was filled with vibrant colours as students displayed their **artistic skills** through thoughtful **designs**, **slogans** and **illustrations**. The judges evaluated the posters based on creativity, theme relevance, presentation and clarity of message. The event successfully provided a platform for students to showcase their **talents** and express their perspectives on important issues. It concluded with the announcement of winners and appreciation for all the participants for their sincere efforts and imaginative contributions.

## Aryabhatta Ganit Challenge

Venue: AV Room

Aryabhatta Ganit Challenge, organised by CBSE, is an initiative that strengthens students' mathematical foundation by highlighting the practical application of concepts in **real-life situations**. The challenge covers essential areas such as **Number System, Algebra, Mensuration, Geometry, Data Analysis, Probability and Quantitative Aptitude**, enabling learners to develop **logical reasoning, analytical thinking, strategic problem-solving and creative visualisation**.
